

International conference on artificial intelligence and applied soft computing is organized in the Cappadocia region, one of the world's great wonders. Lately, intensive studies on artificial intelligence and soft computing have been made. Each year, these areas become more popular and innovative research is being done. This conference encourages a deeper investigation of issues related to artificial intelligence and soft computing. In this context, I invite all concerned scientists to contribute to the conference.

SCOPE

- Artificial intelligence
- Artificial bee colony algorithm
- Artificial intelligence tools & applications
- Artificial life
- Automatic Control
- Big data
- Computational Intelligence
- Computer vision
- Data mining
- Decision support systems
- Deep learning
- Evolutionary computation
- Expert systems
- Fuzzy systems
- Game theory
- Pattern recognition
- Programming languages
- Robotics
- Semantic web techniques and technologies
- Signal or image processing
- Soft computing theory and applications
- Software agents
- Granular computing
- Heuristic optimization techniques
- Human-Computer Interaction
- Hybrid intelligent systems
- Industry 4.0 and applications
- Intelligent databases
- Knowledge representation and Reasoning
- Knowledge-based Systems
- Machine learning
- Modelling and identification
- Morphic computing
- Multiagent systems
- Natural language processing
- Neural networks and applications
- Parallel processing
- Software/Hardware implementations
- Support vector machines
- Symbolic machine learning
- Time series prediction
- Unsupervised and supervised learning
- Web intelligence applications and search
- Web mining

HIGHLIGHTS

- 1) Papers must be a maximum of 6 pages and written in English
- 2) Papers submitted to the conference will be reviewed by at least two reviewers
- 3) Acceptance rate will be kept at 70%
- 4) IEEE Turkey Section is Technical Co-Sponsors of ICAASOC 2019
- 5) All the accepted papers will be published and indexed on IEEE Xplore Digital Library

IMPORTANT DATE

	DATES
Paper Submission Deadline	17 May 2019
Notification of Acceptance	17 June 2019
Final Paper Submission Deadline	1 July 2019
Early Registration Deadline	1 July 2019
Normal Registration Deadline	1 September 2019
Conference Dates	17 – 20 September 2019
